Structuring the Narrative

The Peer Reviewer Checklist
For each category, the applicant must provide verified sources for the data that support the statement of the problem (i.e., census data, federal, state, and local databases).

Category 1: Implementation Applicants (20 percent)
- Describe the nature and scope of the substance abuse problem in the jurisdiction. Include data on race, ethnicity, age, gender, arrest volume (i.e., specifics of the general arrestee population, including the percentage screened for drug court and what percent of those are admitted into drug court), and crime patterns for adult defendants.
- Explain the problems with the current court response to cases involving substance abuse; identify how and to what extent the proposed program will address the current arrest volume; and describe how the current number of treatment slots meets the needs of anticipated referrals.
- Describe the proposed target population, including criminogenic risk level (high, medium, low), substance abuse treatment need, and the average jail or prison sentence that potential participants face, if any.
- Provide the target number of people to whom services will be provided under this program during the grant award period (48 months).

Category 2: Enhancement Applicants (20 percent)
- Describe the immediate issues that the enhancement grant seeks to address. The applicant is encouraged to incorporate the evidence-based program principles included in the NADCP Adult Drug Court Best Practice Standards, and to specify which standard(s) will be addressed and how the standard(s) will be implemented. The applicant should also refer to the allowable uses of funds on page 6. In addition, the proposed enhancements should include criminal justice-related needs and can also include enhancements related to enhancing treatment and relapse prevention support services.
- Describe the current operation of the adult drug court, addressing:
  - Referral, screening, and assessment process
  - Eligibility requirements
  - Target population
  - Current capacity
  - Length and phases of the program
  - Case management process
  - Community supervision
  - Recovery support services delivery plan to include vocational and/or educational and transitional housing services
  - Judicial supervision
  - Process for randomized drug testing
  - Incentives and sanctions
For example, Statement of the Problem

Implementation – Nature and scope of substance abuse problem (need data on arrestee demographics)

Enhancement Checklist

- Referral, screening and assessment process
- Eligibility requirements
- Target population
- Current capacity
- Length and phases of program
- Case management process
- Recovery support services
- Judicial supervision
- Process for randomized drug testing
- Incentives and sanctions
- Graduation requirements/expulsion criteria
- Restitution costs/fees

Comprehensive Opioid Abuse Program (COAP)
BJA Comprehensive Opioid Abuse Site-Based Program

• Diversion and alternatives to incarceration programs that expand outreach, treatment, and recovery efforts to individuals impacted by the opioid epidemic who come into contact with justice system.

• Category 1: First Responder Partnerships

• Category 3: System-Level Diversion Projects

• Category 6: Public Safety, Behavioral Health, and Public Health Information-Sharing Partnerships
Coordinated Tribal Assistance Solicitation
CTAS

- Launched in FY 2010
- Federally-recognized tribes submit a single application for most of DOJ’s Tribal grant programs.
- [www.justice.gov/tribal](http://www.justice.gov/tribal)
CTAS

Included:

• Tribal-Specific grants within the
  • Office of Community Oriented Policing Services (COPS)
  • Bureau of Justice Assistance (BJA)
  • Office on Violence Against Women (OVW)
  • Office for Victims of Crime (OVC)
  • Office of Juvenile Justice and Delinquency Prevention (OJJDP)

Not Included:

• OVW Tribal Coalitions
• OVW Tribal Sexual Assault Services Program
• T/TA Programs
• BJA Tribal Civil and Criminal Legal Assistance
• Non-Tribal Government-specific grants
CTAS Pros

• Tribal specific RFP/funding source
• Specific references to Healing to Wellness Courts in Purpose Areas #3, and #8
• Peer reviewers will have tribal court specific knowledge
• Peer reviewers will have some drug court knowledge (Purpose Area #8)
• More flexibility to design Wellness Court in PA #3
• No match requirement
• Healing to Wellness Court objectives can be better incorporated into an overall tribal plan through CTAS
• Most tribes are already planning to submit CTAS proposal
CTAS Cons

• PA # 3 has large scope and lots of competition
• PA #3 is not Wellness Court-specific
• PA #8 is narrow and limited
• Complex CTAS application process with many moving parts requiring substantial intra-tribal coordination
• Limited page and formatting requirements

TIPS

1. Read the Solicitation and FAQs.
2. Check all of the resources available through the CTAS website.
3. Use scoring criteria as a general guide for how many pages you devote to each section.
4. Don’t wait until the deadline to apply!
5. Follow all format directions and use all of the allotted pages.
6. Go back and review the “tribal community and justice profile” after completing the purpose area narratives.
7. Go back and review the budget after completing the purpose area narratives.
8. Focus on attachments *(tribal resolutions, letters of supports, etc.)*
9. PDF and clearly label everything!
10. Double check the Application Checklist at the end of the Solicitation before pressing submit.
If unsuccessful

- Always ask Agency to provide comments
- Ask Agency what other services can be provided such as:
  - Training and Technical Assistance (T/TA)
  - Capacity Building
  - Scholarships for Conferences/Trainings
- Ask Agency for copies of successful applications
- Serve as peer reviewer
